

Supporting Oklahoma's Economy

The drinks sold in our vending machines are bottled in Oklahoma.

Our vending machines and supplies come from Oklahoma companies..

Together we support the economy and future of Oklahoma.

So what else is bottled in Oklahoma?

OZARKA

Coca-Cola products (Great Plains)

And many more....

A good way to support Oklahoma businesses — and a great way for visitors to experience Oklahoma.

Featuring bottled water from Oklahoma owned companies.

We can also include your employees' and customers' favorite brands of water and soft drinks.

Yes, Native Waters will pay you a portion of the sales for allowing us to have our machines in your place of business. There's no cost to you.

Yes, we can try it out for 30 days and see what products your employees and customers prefer.

Our own brands of spring water, bottled in Oklahoma.

Spring Water from the Garber Wellington

aquifer.. one of nature's finest sources of water. Ideal for hotels and restaurants.

Spring Water from the heart of the original

Indian Territory. In Cherokee, AMAYI means water.

Also available:

OKA '... Chickasaw

OWH... Creek

OKA.... Choctaw

And too many others to list here...

Natural spring water from aquifers identified by United States Geological Survey Hydrologic Atlas HA-4.

Native Waters, Inc.

Our VISION is to TURN WATER INTO KNOWLEDGE for Native Americans.

A portion of our water sales is donated to education for Native Americans.

In the 12 month period ending April 2004, the annual sale of bottled water was over \$8 billion. Our goal is to divert a portion of those revenues into education for Native Americans. — One natural resource for another.

Won't you help us in this undertaking by allowing us to place one of our vending machines in your place of business.

For more information, please visit our website at: www.nativewaters.com.

Having Native Waters in your place of business just simply makes good sense.
